MEMORANDUM

SUBJECT: Potential Hazardous Waste Site

FROM: Chris Petersen, Chief *CP*
Contracts/Data Management Section (6E-EO)

TO: Jim Mullins/Chris Petersen

Please review the attached documents for potential removal action and respond by completing the form at the bottom of this page. A system has been developed for tracking these documents. If you receive a Potential Hazardous Waste Site document without this cover memo, please forward to me for tracking. In cases of removal actions, a CRIF should be completed for data entry into CERCLIS. Completing these forms plays a vital role in re-authorization and achievement of SARA goals (see Kathleen Robinson for CRIF forms).
